FOR MEDICAL RESEARCH AND EDUCATION

**8th Annual
Health Services & Outcomes
Research Conference:
Improving the Quality of Health Care**

November 6, 2007
8:15 a.m. - 5 p.m.
Houston Medical Center Marriott
6580 Fannin - Houston, Texas

Keynote Speaker

Robert Brook, MD, ScD
Vice President, RAND and Director, RAND Health

*"Building a Successful US Healthcare System: Transparency,
Evidence, Patient Power and Technology"*

The conference objectives are to:

- Disseminate health services research findings on the key components of quality of care.
- Foster collaborative health services research projects among research and medical care institutions in Texas.
- Demonstrate the application of health services research findings in clinical practice and community settings.

*See the call for abstracts flyer to learn how to submit your abstract for poster presentation.
